

HPG Solutions Pty Ltd is a proudly Aboriginal-owned and ISO-certified plumbing company based in South West Sydney. Established in 2016, we specialise in plumbing, roofing, and gas maintenance services across government, education, and commercial sectors. With a strong focus on quality, safety, and cultural integrity, our team delivers reliable, self-performed solutions across metropolitan and regional NSW. As a Supply Nation and NSWICC registered business, we are committed to building long-term partnerships that deliver both economic and social impact. Come visit our booth to learn how HPG Solutions can support your next project.
